

## **Ralph Doggett, Treasurer**

Ralph McShane Doggett serves as the Treasurer of the Geneva Social Observatory and is also Chief Operating Officer and Senior Economist for Hagen Resources International (HRI). He is a co-founder of HRI, responsible for the management of HRI's financial, administrative, marketing and technical activities. He is also a Director of the Council for Multilateral Business Diplomacy.

Before co-founding HRI, he worked with economic consulting firms (McGraw-Hill/Data Resources; INFORUM; International Research & Technology), serving clients in governments, the private sector, and NGO's in both advanced industrialized economies and in less developed countries.

Ralph holds a Bachelor of Science and a Master of Arts degree, both in economics, and both from the University of Maryland at College Park, USA.
